Work History

Associate Software Engineer
The One Technologies | Jan 2023 – Aug 2025

- Built scalable **front-end and back-end solutions** in ERP/EHR and management systems using **React.js, Vue.js, Node.js, and MongoDB**.
- Developed a **Teleconsultation platform** with secure real-time **audio/video calling, messaging, and patient consultation features**.
- Contributed to **Edumark Student Management System** for managing student records, academic data, and administrative workflows.
- Developed **SIAP**, a Germany-based legal management system for handling **student visa, work visa, and citizenship immigration cases**.
- Built an **Inventory Management System using the no-code platform Stacker** for managing inventory records and operational workflows.
- Managed **UI development, backend APIs, and system integrations** across multiple projects.
- Collaborated with cross-functional teams in **agile sprints** to deliver scalable and production-ready solutions.
- Recognized for **code quality, reliability, and effective teamwork**.

Software Engineer
Estatic Infotech Pvt. Ltd | Sept 2023 – Present

- Developing **healthcare and wearable-integrated applications** using **React.js, Node.js, MongoDB, and real-time technologies**.
- Working on **Band Sync**, a health tracking application processing live wearable data including **sleep, heart rate, HRV, workouts, and calorie metrics**.
- Implementing **data synchronization pipelines and real-time health data processing** for wearable device integration.
- Developing **AI-driven health insights and coaching features** based on user health metrics.
- Building and supporting **teleconsultation, messaging, and EHR-compliant healthcare modules**.
- Collaborating with cross-functional teams to deliver **scalable, high-performance production systems**.

Education

Bachelor of Science: Mathematics 2018-2021
VP & RPTP Science College, Sardar Patel University - Vallabh Vidyanagar, India

- Awarded 2nd Rank in National Seminar on Application of Mathematics

Master of Science: Information Technology 2021-2023
ISTAR, Charutar Vidya Mandal - Vallabh Vidyanagar, India

- Awarded 1st Rank in M.Sc. (Batch 2021-2023)

Certificates

- NPTEL Online Certificate
- Introduction to web development – Coursera
- Interactivity with JavaScript – Coursera

Hobbies

Tech-Oriented & Creative

- Competitive Programming (LeetCode, Codeforces, etc.)

General & Soft Skill-Focused

- Skilled in painting (murals, canvas, fabric) and enjoy sketching cars, cartoons, and doodles.
- Passionate reader focused on personal development and fiction
